Sullivan Arrested.

He is Held at Nashville for Ten Hours.

RELEASED AFTER A HEARING.

The Judge Decided That He Had Not Committed Any Felony and Could Not Be Legally Held—After His Release He Starts For the East.

NASHVILLE, Tenn., July 12.—When the northbound Louisville and Nashville train pulled into this city at 10:33 yesterday morning, a crowd of people surged around the car to see John L. Sullivan, who was known to be on board. A rumor soon obtained circulation that a requisition was in the hands of the police, several of whom had boarded the car. Some discussion and finally a struggle was seen in the car, and an officer reached over with handcuffs in his hand, and seizing the slinger's arm pulled him out into the aisle of the car. Sullivan resisted.

Mike Cleary, who occupied the same seat, put his head out of the window and cried to the crowd: "Gentlemen, I demand American protection." His patriotic wail was greeted with a variety of responses, some cheered Sullivan and begged him to "knock the coppers out," others cried, "hurray for the Nashville police," "hit him with your club," etc. One youngster who was hanging on the outside of the car window ducked his head behind the sill and informed the crowd that "the cops have out their guns."

After a brief struggle Sullivan was taken from the car and hustled to a carriage. In the scuffle he drew back to knock down a policeman, when Chief Clark stuck a pistol in his face and told him if he struck, he (Clark) would kill him. The officers next grabbed Charley Johnson, of Brooklyn, Sullivan's backer, who resisted vigorously, but finally began to cry with pain. During all this scrimmage Muldoon sat quietly by and was undisturbed. Mike Cleary, Sullivan's other second, hid in the excitement, and one other named Lynch jumped off the train. Only Johnson and Sullivan were detained, though the others were wanted.

The arrest was made by authority of a telegram from Governor Lowry, of Mississippi, to the Nashville chief of police. Sullivan retained ex-Attorney General W. H. Washington, who says that the officers went beyond their authority and cannot hold their men. An immediate attempt was made to get the parties out on a writ of habeas corpus.

The question as to whether they could be legally held in custody to await requisition papers from Mississippi was argued in the circuit court during the afternoon. Defendants' petition for writ of habeas corpus was read stating that he had been arrested upon no process known to the law and held without any charge against him and without shadow of legal authority. He declared that he had committed no offense against the laws of Tennessee and was not subject to legal restraint. He had committed no felony in this or any other state.

Counsel discussed at length, and finally Judge McAllister rendered his decision. He was very emphatic in his opinion that to hold Sullivan longer would be a most arbitrary act on the part of the court; that the officers had arrested him without warrant or authority of law; that misdemeanors were not extraditable by the rulings of Tennessee courts and by precedents of Governor Taylor. He, therefore, ordered Sullivan released.

There was an immense crowd present and the decision of the judge was greeted with great applause. Sullivan was made a hero of, and the town was his until he left it at 8 o'clock for the east.

After Killrain.

St. Louis, July 12.—At noon Chief of Police Huebler, of this city, received a telegram from Governor Lowry, of Mississippi, asking him to arrest Jake Killrain and hold him for requisition papers. Killrain and party had left here four hours before receipt of the telegram. Governor Lowry was so notified. A telegram was soon after received from the chief of police of Cincinnati asking for information as to train and route Killrain took from here, and the inference is that Killrain will be arrested on his arrival at Cincinnati.

Killrain Will Be Arrested.

INDIANAPOLIS, July 12.—A special from Columbus, Ind., says that Killrain and party arrived there late yesterday afternoon, having left the Ohio and Mississippi train at Seymour and taking a J. M. and I. train for Columbus. They drove to a hotel and ordered supper. Before the meal was concluded Murphy went out and securing a carriage, returned to the hotel when the party left secretly and drove northward, presumably to Edinburg or Shelbyville. The sheriff of Bartholomew county telegraphed to Governor Lowry, of Mississippi, asking if he wanted Killrain or his friends. The governor replied that he would pay a reward of \$500 for Killrain, Moore and Mitchell. The sheriff immediately organized a posse and started in pursuit of the fleeing pugilist. As Killrain and friends had no knowledge of the sheriff's intentions and but an hour's start it is likely they will be overtaken.

A Negro Rapist Lynched.

ATLANTA, Ga., July 11.—Near Tunnel hill, yesterday morning, Martin Love, colored, attempted to rape Miss Addie Rogers, a white girl. He was caught during the afternoon and lynched by a masked mob.

G. A. R. CIRCULAR,

Calling Upon Comrades to Remain Away From the Grand Encampment.

CHICAGO, July 12.—The G. A. R. circular against the railroads was formulated yesterday, and will be sent out broadcast through official channels today. Following is the full text of the interesting document:

[Circular 400.]

HEADQUARTERS DEPARTMENT OF ILLINOIS, GRAND ARMY OF THE REPUBLIC, CHICAGO, July 11.

After a long-continued effort on the part of a large number of the department commanders of the Grand Army of the Republic, supplemented by earnest appeals to the railroad officials from our commander-in-chief and the executive council of Milwaukee, we have failed to secure for the soldiers the customary rate of one cent per mile to the National encampment, to be held at Milwaukee, Wis., during the last week in August.

In view of the fact that a rate of less than one cent per mile has recently been given to the German Turn Verein National meeting at Cincinnati, and a rate of one-half cent per mile has been given to the Niagara Falls excursion, there is a general feeling that the men whose services and sacrifices alone made it possible for these railroads to exist and share in the prosperity which has attended the nation in recent years are fairly entitled to at least the rate which has been asked. The refusal of the railroads to give this rate is an unjust discrimination against the veterans of the late war.

I, therefore, in concurrent action with the department commanders of Michigan, Indiana, Kentucky, Missouri, Iowa, Kansas, Nebraska and Minnesota, who to-day will issue a similar circular to their respective departments, request of all comrades of this department, as a matter of self-respect and self-defense, and out of love for our order, that they forego the anticipated pleasure of meeting their comrades at the National encampment by remaining at home, only those attending who are duly elected delegates or ex-officio members of the encampment. Let us, in a dignified but resolute manner, present this great injustice sought to be meted out to the old soldiers by the railroad managers.

I issue this request with much regret. It will be a great disappointment to thousands of comrades in this and other departments to have the anticipated grand reunion resolve itself into a mere formal business session. It will also be a great disappointment to the comrades and patriotic citizens of Milwaukee who are doing everything in their power to give their visitors a generous welcome. They are entitled to the thanks and best wishes of all the comrades of the Grand Army of the Republic for their efforts, and it is to be regretted that we cannot, with any degree of self-respect, reward them for their arduous labors by our presence at the encampment.

Personally I shall be greatly disappointed. It has been my ambition and endeavor to have the department of Illinois the largest represented at the encampment on the day of the grand parade and review. However, with a principle, and with the question of a rate for future encampments in view, I believe that I am doing right in thus addressing you, and that the comrades throughout the department will indorse my action in recommending that only delegates and members of the National encampment attend the Milwaukee meeting.

I recommend the organization of county and district reunions throughout the department, where such organizations do not already exist, in order that every old soldier may be given an opportunity to meet his comrades around the camp fire in glad reunion.

Official: JAMES S. MARTIN, Commander. C. A. FARTRIDGE, Assistant Adjutant General.

HAD TWO FAMILIES.

Sudden Death of an Engineer Brings Out His Double Life.

AKRON, O., July 12.—Quite a sensation was created here yesterday when it turned out that John Rissell, the Pittsburgh and Western engineer killed in the accident here Sunday night had two families, though the trainmen thought he was single. Monday a Mrs. Rissell, of Newton falls, came here with her father and brother, named Carlisle, and claimed the body, taking it to Newton falls, where she and a little crippled daughter, aged 5, a child by Rissell, live. She said she had been married to Rissell six years.

Wednesday afternoon a gentleman named Maxwell, arrived here from Milton, Pa., saying he represented Rissell's wife and a son and daughter in their teens living in that place. He showed a marriage certificate and letters the family had received from Rissell, one being written just before July 4, enclosing \$10 for pyrotechnics. Mr. Maxwell took the first train for Newton Falls, accompanied by Coroner Sargent and an Akron undertaker, and will take legal measures to recover the body.

It seems that Rissell has been maintaining two domestic establishments, going to each at intervals and part of the time living in Allegheny, where he had a room at 28 Craig street. One of the men on his train, who boarded next door, announced at the wreck that Rissell was a single man.

Decensed was 60 years old, and as he carried considerable life insurance there is likely to be a legal scramble between the families.

Flood Commission.

A Statement of the Work Done at Jonstown, Pa.

THE EXPENDITURES TO DATE.

Over Two Million Dollars Paid Out for the Relief of the Sufferers—Number of Persons Fed—Where Food and Clothing Will Be Distributed—A Further Statement in the Near Future.

PITTSBURG, July 12.—A statement of the work done by the committee of the flood commission has been given to the public. This says that in round numbers the expenditures to date for relief in the Conemaugh valley, including the amount of \$500,000 appropriated at Tuesday's meeting of the commission at Cresson Springs, aggregates \$2,200,000. This expenditure, the statements include the work of the Pittsburgh, Johnstown and Philadelphia relief committees and the flood commission; also disbursements of the state in abatement of nuisances and payment of military detailed to staff and police duty.

The statement says that all funds placed in the control of the governor have been transferred to the relief commission. There is an implied understanding that the Pittsburgh and Philadelphia committee will also transfer their funds, and it is desirable that all moneys now in the hands of other committees be placed under the jurisdiction of the commission. "Relief has been given in all careful directions with the greatest dispatch consistent with the best wisdom that could be brought to consider the case."

The problem confronting the commission in the Conemaugh valley, the statement says: "Is of the greatest magnitude, demanding the utmost celerity and the wisest and the most delicate discrimination. The number of persons to be fed has varied from a maximum of 31,950, to a present commissary roll of 7,000. The number of distinct claims to be passed upon, many of them involving the interests of families or dependent relations aggregate nearly 4,000."

The statement then recites the decision of the commission made on June 27, to apply the funds contributed for the relief of sufferers to relief work exclusively, and on such plan as will give the money to the most needy sufferers. To carry out this plan Judge Cumming, one of the members of the commission, is now at Johnstown, and is energetically at work. Supplies of food and clothing will be given as long as required, although it is hoped that this form of relief will soon be discontinued. Additional houses will be erected and furnished as fast as the ground on which to stand them is selected. The \$500,000 in cash appropriated at the Cresson meeting, it is thought will average considerably above \$100 to each claimant.

"The sums required for the Johnstown district will cover all the moneys coming into the state from outside sources, with large amounts in addition. The appropriations for other localities are from general contributions made within the state of Pennsylvania." The commission promises to publish a complete statement of its work.

Cause for the Cough.

FREDRICKSBURG, Va., July 12.—Dr. Carmichael, of this city, was called yesterday to attend the son of Mrs. Eunice Moncure, who was apparently suffering from a troublesome cough. Upon examining the child's throat the doctor found part of a watch chain protruding from the nasal canal into the throat. The chain, about six inches long, with an acorn charm attached to one end of it, was taken from the child's nostril. The operation, a very delicate one, was successfully performed, and without injuring the child's nose.

A NEW CHRIST.

An Ohio Negro Goes South and Works Up His Superstitious Brethren.

MACON, Ga., July 12.—Dupont Bell is a white man who recently appeared in Liberty county, announcing himself to be the Christ. He hails from Circleville, O., where he says his body originated thirty years ago, but his soul was from all eternity. He predicts the end of the world on August 16, and has sold, on future delivery, 300 pair of wings at \$5 a pair.

They were bought up eagerly, and he is being besieged for more. He declares that on that date all the negroes will become white, while the whites will figure thereafter as negroes, who will have to wait upon their late slaves. The negroes kiss his feet in adoration, and would rend to pieces any one who would interfere with him. The crops of the country are ruined for the want of hands to cultivate them, the negroes declaring that there will be no need of crops after the 16th of August.

Killed by Cars.

BATESVILLE, Ind., July 12.—Edward Miller, colored, claiming to be from No. 68 Lodge alley, Cincinnati, was killed, or rather his lower limbs were severed at the knee joint, resulting in his death at 9 o'clock. He was endeavoring to reach Cincinnati by beating his way, and having been "fired" at this point, attempted to board the train again, when he slipped and received the injuries as stated.

SUBJECT FOR A NOVEL.

A Beautiful Young Woman Marries Her Dead Lover's Father.

PITTSBURG, July 12.—At 3:30 o'clock yesterday afternoon, Miss Clara Brownlee, of Allegheny City, and Mr. Hippolyte Schaffner, of Paris, France, were united in marriage at St. Andrews Roman Catholic church in Allegheny. The story of their courtship is highly romantic, the place of their first meeting being a house of mourning.

Mr. Hippolyte Schaffner is a Frenchman by birth and a man of immense wealth. He is a widower and well advanced in years. A year ago Mr. Schaffner's son aged about 26, came to America on a pleasure trip. In his travels he stopped in Pittsburgh and became acquainted with Miss Brownlee. It was a case of love at first sight. The young man was especially devoted to his attentions and the announcement of the wedding day was anxiously awaited by the friends of the Brownlee family. Unfortunately, just at this period the young man contracted a fatal illness, and in just one month after their first meeting Mr. Schaffner, Jr., lay a corpse in the house of his betrothed. The young lady accompanied the remains to Paris. After the funeral Miss Clara remained for several weeks the guest of Mr. Schaffner, Sr., and returned home the affianced bride of her dead lover's father.

Miss Brownlee's family are not people of wealth but are of marked refinement and culture. The bride is strikingly beautiful and well adapted to gracefully adorn the luxurious home which awaits her in Paris. The church was crowded with invited guests. The happy couple will visit New York city and sail for Paris on the 13th. The groom is a leader in both financial and social circles in Paris.

The McCoy-Hatfield Gang Again.

BALTIMORE, July 12.—The Sun's special from Charleston, W. Va., says: At Grundy, Va., just across the line, yesterday, Frank Phillipson, of the McCoy-Hatfield gang, got on a drunk and announced his intention of doing up the town. He attacked William Keiser, a prominent lawyer, and struck him on the head with his pistol. Then he fired and killed Mr. Keiser instantly. The murderer immediately mounted a horse and rode off. No attempt has yet been made to capture him.
